

WHY MEMBERSHIP?...Because you are a leader.

At Southpoint Church, we encourage membership for any attendee who desires to formally and publicly align with the mission, values, and beliefs of Southpoint Church. Why do we encourage it? For accountability. Though most people can participate in any activity around here, there are certain leadership responsibilities that are reserved for those who have made themselves accountable to the church through membership.

As part of the membership process, applicants are required to sign the following statement:

As a member of Southpoint Church, I agree to support this ministry with my time, talents, and treasure, and to be accountable to the church leadership in matters concerning my relationship to God and others.

When someone joins Southpoint Church, he or she is in effect saying, "You can trust me to influence those under my care in accordance with who we are and what we believe as a church."

As a leader, God has gifted you to serve Him in the local church. By accepting a leadership role, your responsibility requires accountability. Your accountability to Southpoint Church enables us to trust you with greater responsibility, which leads to broader influence. By formally aligning yourself with Southpoint Church through membership, you set yourself up for maximum impact.

If you are currently leading or coaching, or plan to in the future, we ask that you go to our website at www.southpointchurch.co.za or contact us at membership@southpointchurch.co.za to begin your membership process. If you don't have any questions, please complete your membership application online and submit it.

Thank for being such a valuable part of Southpoint Church.
