

The success of "a place for everyone" depends upon each of us making gifts that are above our current level of giving. The process of deciding what amount to give is exciting because of the investment you will make towards a place where many of your friends/family will come into a relationship with Jesus. But the process is also scary because of the sacrifice that is required from us.

In order to create 600 empty seats in 2011, **R600,000 is required.**
When **everyone** contributes towards the goal the sum is reachable.

Here's an example of how it could be done: R600,000 for 600 seats for a year.

1 person	R100,000
2 people	R50,000
3 people	R30,000
4 people	R20,000
6 people	R15,000
10 people	R10,000
10 people	R5,000
10 people	R2,000
50 students	R200

a goal for everyone will buy a place for everyone!
